learning

Accreditation

This is a nationally
recognised qualification

TAE40116 Certificate IV in Training & Assessment is a requirement for any individual who is delivering training and assessment services in the vocational education and training (VET) sector.

Who is this for?

This is an ideal qualification for teachers who are inspired to share their industry knowledge and skills with others in the VET sector.

This qualification, or the skill sets derived from units of competency within it, is also suitable preparation for those engaged in the delivery of training and assessment of competence in a workplace context, as a component of a structured VET program.

What You'll Learn

When you finish this course, you'll be able to:

- Work in a vocational education environment
- Design and develop learning programs
- Plan and organise training delivery
- Link learning to standards/benchmarks
- Facilitate learning to groups and individuals
- Evaluate the impacts of learning programs
- Utilise learning resources and equipment
- Identify and support language, literacy and numeracy needs in the learning process
- Demonstrate and practice innovative delivery and assessment processes
- Design and develop assessment tools
- Plan and organise assessments
- Assess competence
- Participate in assessment validation

Career Opportunities

This course is designed for people interested in maintaining their capacity to be an:

- Enterprise/workplace trainer and assessor
- Registered training organisation (RTO) trainer and assessor
- Training adviser or training needs analyst
- Vocational education teacher
- Adult educator

Entry Requirements

- Hold a teaching qualification (e.g Bachelor of Education) and current teacher registration.
- Demonstrate vocational competency in your proposed training and assessing area. Vocational competency is defined as broad industry knowledge and experience, and may include holding a relevant qualification.
- Have access to a VET training environment to complete post course assessments where required.
- Have access to a mentor who holds TAE40116 Certificate IV in Training or Assessment or a higher level adult education qualification (recommended).

Delivery Options

1. Live Class

- i) Group workshop with a trainer to support and guide you through activities. Ask us for scheduled course dates at locations convenient to you.
- ii) We can also come to your workplace and deliver a customised program to meet your workplace needs (Minimum numbers apply. Contact us to discuss your particular needs).

2. Blended Learning

This is a flexible and efficient way to complete your qualification. It may include live classes, online study, self-paced activities and webinars.

Duration

You have 3 months from course commencement to complete this qualification.

Course Outline

To complete this qualification you must demonstrate competency in a total of 10 units. Nine of these units are core with only one elective. Other electives are available however they may incur an additional cost and enrolment must be approved by Blueprint.

Participants who meet the entry requirements will provide a substantial portfolio of specific RPL evidence. The gaps between participant existing knowledge and experience are addressed through in-class and post course learning and assessment activities with all work submitted through our Learning Management System.

Units of Competency		Core/ Elective
TAEASS401	Plan assessment activities and processes	Core
TAEASS402	Assess competence	Core
